Tuesday, 13 January 2026

For Immediate release

Cllr Molefe Morutse, the Mayor of Ditsobotla Local Municipality, has joined scores of South Africans in applauding the learners of the Class of 2025 on reaching a remarkable milestone after achieving an overall matric pass rate of 88%, following the announcement of the results by the Minister of Basic Education, Honourable Siviwe Qwarube, last night.

As the Ditsobotla Local Municipality, we are very proud, and we extend our heartfelt congratulations to all matriculants across the country, and especially to those within Ditsobotla Local Municipality, on your remarkable 2025 matric results achievements. This milestone marks the culmination of years of dedication, perseverance, and resilience. To each learner who crossed the finish line, we applaud your commitment to your education.

Mayor Morutse said the completion of your matric year is a significant achievement that reflects years of dedication, resilience, and hard work.

“You have navigated academic pressures, personal challenges, and moments of uncertainty with determination and perseverance, and today, your efforts have truly paid off”, said Mayor Morutse.

This outstanding achievement is a testament to the collective efforts of support and guidance of various role players in the education sector. We would also like to acknowledge the vital role of teachers, parents, and guardians who stood as pillars of support throughout this journey. Your guidance and encouragement have been instrumental in shaping the futures of our young people.

As you embark on the next chapter of your life, whether it be furthering studies, entering the workforce, or pursuing other dreams, we encourage you to remain steadfast, determined, and focused on your dreams.

To those learners who did not achieve the results they had hoped for, we want to remind you that this is not the end of the road.

This is merely a detour on the path to success. Use this moment to regroup, reflect, and refocus. We believe in your potential and know that with resilience and determination, you can achieve your goal.

"As the municipality, we remain committed to quality education. We will continue to collaborate with different stakeholders in ensuring quality education and better opportunities for the youth of Ditsobotla are attained without fail" concluded Mayor Morutse.
