### WATER RESTRICTION SCHEDULE IN COLIGNY TOWN AND TLHABOLOGANG

Ditsobotla Local Municipality (DLM) hereby informs all members of the community about the implementations of the water restriction schedule in **Coligny** and **Tlhabologang**. The restriction is caused by high heat wave which has affected boreholes and forced the dropping of water table. The water restriction schedule will be implemented as follows:

OPERATIONAL	TIME
Opening morning	05h00
Closing morning	10h00
Opening afternoon	17h00
Closing afternoon	20h00

We urge members of the community to use water wisely, sparingly and avoid irrigation of gardens, washing of cars with hosepipes, filling of swimming pools and to report all water leakages in their areas. It must also be noted that the water restrictions will remain in force until the situation shows improvement.

We urge members of the community to be patient and cooperative during the implementation of the water restriction schedule. For any further information, please contact Manager: Water and Sanitation (Mr Louis Malesa) at [louismalesa82@gmail.com](mailto:louismalesa82@gmail.com) or

Regards,

Yours sincerely
