## Plaaslike Munisipaliteit Local Municipality

### **PUBLIC NOTICE: LICHTENBURG & COLIGNY INTERIM WATER SUPPLY SCHEDULE**

Ditsobotla Municipality is hereby informing residents of Lichtenburg and Coligny that due to the current water abstraction capacity challenges in these areas, the municipality has developed a temporary water supply schedule to ensure there is adequate availability of water during peak demanding hours. The municipality is doing its utmost best to try and upgrade water abstraction capacity as well as improving maintenance of water supply infrastructures in Lichtenburg and Coligny towns. The interim water supply schedule is based on the current source capacity challenges.
