

PUBLIC NOTICE

DATE: 08 DECEMBER 2021

THE MAYOR OF DITSOBOTLA LOCAL MUNICIPALITY HAS DETECTED POSITIVE FOR COVID-19

The community of the Ditsobotla Local Municipality is hereby informed that Mayor, Councillor Mercy Stokie Mokgothu has tested positive for Covid-19 and went into self-quarantine effective immediately.

The Mayor has since this week been showing mild symptoms of fever and complaining of headache, then decided to take Covid-19 test which results came back positive on 08 December 2021. The Mayor wishes to advise all people that had a close contact with her to self-isolate and if applicable consult health practitioners for necessary medical attention.

Furthermore and worth noting is that the Mayor will be working remotely from home where she is in self-quarantine executing his responsibilities as the Mayor of Ditsobotla Local Municipality as part of the precautionary measures. The Mayor is also encouraging people to visit any government health facility or a private pharmacy that offers vaccinations, or any established vaccination sites in their vicinity to get vaccine jab asap.

END

For your further information please contact Mr Lefty Mere Manager: Office of the Mayor, on 079 024 7192 or Mr Mbuyiselo Mohulatsi, Political Advisor to the Mayor on cell: (076) 703 3577
